

We are growing at Cherry Street! We will be adding a greenhouse and additional classroom space to the west campus. The new classroom space will double as a FEMA rated tornado safe space for our students and staff. We must raise \$150,000 to make these projects a reality. October is our month to donate to this building project. We are accepting donations and annual pledges. Pledges can be spread out over 1, 2, or 3 year periods. For example a \$1000 pledged could be \$83 per month over 12 months, \$42 per month over 24 months, or \$28 per month over 36 months. Every donation, no matter the size helps us reach our goal! All donations can be mailed to us at PO Box 414 Chanute, Ks or you can donate on line at [www.cherrystreet.org](http://www.cherrystreet.org). We also have a link on our facebook page.
