Challenge Complete!

You did it! We have raised \$50,000 to match the challenge! We are feeling the love of our community and of our mighty God! (Tax letters will be mailed out this month)

December 2017

A huge thank you to every volunteer and for every donation that made the Christmas Store a success again this year! The month of December is a bit of a whirl wind for us but it's tons of fun!!

MISSION STATEMENT:

Cherry Street Youth Center, Inc., is an ecumenical ministry formed to help children develop spiritually, emotionally, physically, and academically within their community.

We fulfill our mission statement and share love with the children by being positive influences in their lives and by offering classes in Bible, character, art, computers, physical education, reading, math, social skills, anger management, drug awareness, cooking, music, and more!

We are a non-profit, faith-based youth center. Our focus has been to share the love of God through Jesus Christ with the elementary-aged children in Chanute by providing them with a safe, secure, and fun place to go after school that offers a wide variety of learning experiences and opportunities.

2017 Christmas Program

We had a wonderful night! Over 300 people were in attendance at this years program. The children worked so hard and everything turned out wonderful. Thank you to all the volunteers that came to help us and to Pastor Steve Suttles with the Church of the Nazarene for delivering a message to the children and their families about God's love and sacrifice for each of us. Hopefully hearts were touched!

Warehouse Happenings

Thank you to everyone that came to the Main street pavilion to purchase hot chocolate and chili dogs from our Warehouse students! They were trying to raise money to help pay for the remodeling of their new location. They raised just a little over \$300!!

We also want to thank our parent volunteers that helped keep the hot chocolate flowing and our volunteers that came help set up!

Remodeling 101

Our property at 704 N Washington is where we have our middle school Warehouse program. We were able to open the building in December to have children begin attended.

There were a few projects that still needed completed. Christmas break was that opportunity to get them done! I would like to thank Wayne McDaniels again for all he does and also my husband and two daughters that came to help rip up carpet and clean!
